Andy,

Congratulations on participating in the Special Opportunity Program! I can confirm that your wire went thru, and is generating interest as of today. If you're current investment has already matured or is within 6 months of maturation, your principal and interest gets combined and can be placed in the Special Opportunity Program (SOP). If your current investment has not yet matured or within 6 months of maturation, only your interest accumulation can be put into the SOP.

This is the procedure to finish your paperwork. The total agreement is composed of:

- * The Standard Agreement (that you indicated that you have mailed already)
- * Your Account Review (to be completed)
- * The Investment Certificate
- * The Investor Subscription and Certification form

These are the steps:

Once the attached Standard Agreement form is received and your "Account Review" is completed, your total benefits are then listed in the "Level and Term Agreement" section of the Investor Subscription and Certification form. Then, everything is emailed for your

Subject: Andrew Weed's SOP account

Jim Bourassa,

I have talked with Frank Sanchez a couple times about the SOP and have wired \$100,000 new money today. We would appreciate a confirmation when you have recieved it. On Friday I sent by mail the SOP agreement and you should be receiving it in a couple of days.

I am also planning to roll my interest that I have earned in the old program into the SOP. Is the principle I have put into the old program staying there or is it going into the SOP? There has been some confusion as to what is happening with that money. You may write me back at this email address. It is my daughters and I don't yet have email.

Thank you very much!

Andy Weed

has invested \$56,381.18
on April 27, 2007
with the Special Opportunity Program*

Note: This program allows you to earn 18% APR annual compounding. After a 2 years an additional 50% Maturation Bonus gets added to your amount of interest accumulation. You will receive an annual variable annuity distribution based on the net profits of the 23 acres in Pacific Estates. You will have rights to purchase at established lot prices, and be notified of price increases 30 days prior to a price increase. You will have first rights to purchase any property sold in the Sands of Gold Project at a 10% discounted price. It will begin at 10% once the first structures are available and decrease 1% every 6 months until it reduces to 1% in the 5th year.

Hi, David

Below and attached is your "Account Review". This is your official Investment Certificate, updated on a quarterly basis. I have also attached of copy of your Special Opportunity Program agreement, for your reference. You had faxed it to me, so you actually have the original.

Have a great day!

Jim
